V & S Publishers, New Delhi, India. Softcover. Book Condition: New. The story Gold Chain is about a middle class family which prides itself for its ability to judge and justify every action of any individual with confidence and command. Sometimes people and times may not remain constant and we need to accept all that which happens in our lives with grit and hardiness. Revelation follows the life of a staunch moralist who rigidly believes that his convictions are correct and the world would accept his dictum as final. Fate has it when he realises a forgone truth that it is he who needs to change and not the world for his sake. Kaushy is a real life incident that happened to a young girl yet the fictional aspects added gives it a different flavour and setting. Medicine cannot help the mind if it chooses to wander and no one can really analyse, or comprehensively explain what the human brain can concoct. When times change is the story of a woman in a Diary entry. Although there are many such unsung heroes in our society today, no one really cares or shares the concerns of the common man/woman and they are left to fend for themselves. God bless my darling is the story of a child who was unwell but with the support and sheer effort of her mother fights the battle to survive and sustain her life. It's the positivity that people show that makes life worth living. The night that changed my life is about a teenager who learns a thing or two about life in a short journey that she undertakes with friends and family. It is an eye-opener for the young girl who realises that the world is not what we assume that it portrays. The green...
