Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.
(Woodrow Labadie)

SHONA CULTURE AND ITS VARIOUS ASPECTS:

VDM Verlag Feb 2011, 2011. Taschenbuch. Book Condition: Neu. 220x150x4 mm. This item is printed on demand - Print on Demand Neuware - This book is an examination of Shona culture and its various aspects in the Zimbabwean novel in indigenous languages. It discusses Nobert Mutasa's portrayal of Shona culture of the 18th century. It focuses on his portrayal of Shona institutions like marriage, kurova guva, kugara nhaka and chieftainship among others. It examines the fundamental principles that governed the Shona pre-colonial society that could help us in the development of Zimbabwe today. The present researcher maintains that Mutasa's portrayal of the 18th century Shona social institutions has much relevance to the present society. This is because the fundamental principles he portrays could help to improve the present social institutions. His positive portrayal of the Shona pre-colonial society also helps to change the misrepresented image of Africa by earlier Eurocentric critics who viewed it as barbaric. 60 pp. Englisch.
