

Path of Alchemy: Energetic Healing and the World of Natural Alchemy

By Mark Stavish

Llewellyn Publications, U.S. Paperback. Book Condition: new. BRAND NEW, Path of Alchemy: Energetic Healing and the World of Natural Alchemy, Mark Stavish, "Alchemy" offers tremendous insight into alternative therapies, new medicines and the depths of the human mind. Illuminating a truly esoteric practice, Mark Stavish reveals how to create and apply "medicines for the soul" in this remarkable guide to plant and mineral alchemy. The "Path of Alchemy" introduces the history and basic laws of this ancient practice, and explains how it ties into Qabala, tarot, astrology and the four elements. Safe, modern techniques - based on spagyrics (plant alchemy) - for producing distillations, stones, tinctures and elixirs are given, along with their uses in physical healing, spiritual growth, psychic experiments, initiation, consecration, spell-work and more. Each chapter includes meditations, projects and suggested reading as aids to "inner transformation," an equally important aspect of alchemy. Tools, rituals, lunar and solar stones and the elusive Philosopher's Stone are all covered in this comprehensive guide to alchemy.
