## BLOODY SACRIFICE: A PERSONAL EXPERIENCE OF CONTEMPORARY BLOOD RITES (LARGE TYPE EDITION)

Mandrake. Paperback. Book Condition: new. BRAND NEW, Bloody Sacrifice: A Personal Experience of Contemporary Blood Rites (Large type edition), Charlotte Rodgers, The Bloody Sacrifice Charlotte Rodgers is a non denominational magickal practitioner and an animist, and The Bloody Sacrifice is the story of her work with blood. It chronicles her use of road kill and blood in art, ritualised scarification and tattoo work, and the use of venous and menstrual blood in magick. Also included are Charlotte's interviews with tattoo artists; priests from belief systems which utilise blood sacrifice; artists who use their own HIV positive blood as a medium; and those who use mortifications and body modification to effect changes in consciousness and self. All here share a common bond of talent combined with an ability to articulate their beliefs. For example Louis Martinie, a priest in the New Orleans Voodoo Spiritual Temple. Martinie has integrated his Tibetan Buddhist beliefs into his Voodoo practice and in doing so shows how personal spiritual evolution can effect change within a syncretic religion. As a blood related illness affected various parts of Charlotte's life, she was given a chance to explore blood ritual in a very different way. Documenting this part of her journey gives an understanding of AIDS, HIV and HCV, and its effect on spirituality and contemporary blood rites. Blood Ritual, with all its history, baggage and dangers holds a power to create change. Whether this power is held within blood and how much impact is created merely by our perception is for the reader to decide. The Bloody Sacrifice is an honest, modern and thought provoking personal insight into an ancient aspect of our spirituality and creativity. The author was born in New Zealand and after many years of travel, fast living and dodgy magick, now leads a life...
