Paperback. 362 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. As The Wind Walks begins in the working class streets of 1940 Baltimore. On a blustery evening, young Edmund Carter leaves his home and hikes to the blue-collar docks of Fells Point. He walks toward his great-grandfather's home, hoping to cool down from a heated argument with his mother, and away from her unbending attitude about him joining the Marines. She sees the war in Europe edging closer to home. Ninety-two year old Civil War vet, David Werner, greets his grandson by calling him Pete; a name Gramps began calling him two years ago. Edmund knows this a prologue to a night filled with banter and stories. Pete That's someone else's name, Gramps. I'm Edmund. I know who you are, Pete. You're here to get away from my granddaughter. Come on, sit a spell, we'll talk. What's the topic War. David regales his grandson with stories from his past. Gramps amazes the eager boy with tales of the time he lied about his age, and joined the Union Army at the age of fourteen. He talks about his...

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
