Brand New Book ***** Print on Demand *****.Are you prepared to protect yourself and your family when the next big disaster comes? Do you worry what would happen to your family in an emergency? To their safety? Want to protect what you have, but not sure where to start? If so, then The Prepper s Guide to Firearms is perfect for you. This guide will teach you the fundamental issues around having a firearm for survival. Knowing these will help you and your family survive no matter the situation. This guide covers many different areas of firearms, all in simple terms that even the most novice of beginners can understand and implement, while still containing enough knowledge and tips for even the most seasoned prepper. In this book, you will learn how to: - Choose which type of firearm is right for you and your family - Maintain and repair your firearm, to keep it in top working condition - When to use your firearm and when to keep it holstered - Important training and marksmanship drills to help you become a better shooter - Much, much more! Survivors are a unique group of people. Some people call us Survivalists, Doomsday Preppers, or Patriots. You may not consider yourself any of those things. Whatever you may want to call yourself, if you re reading this, you are on the first step to helping your family becoming an Emergency Prepared Survivors. Welcome to The Prepper s Guide to Firearms.
