ZONDERVAN, United States, 1995. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. When Wayne Gordon and his wife started a Bible study for high school kids in North Lawndale, Chicago, people warned them that a white couple moving into a black neighborhood as a recipe for disaster. That was twenty-five years ago. Today, what began as the Gordons seedling Bible study has become the Lawndale Community Church. It has a staff of 150, has renovated more than 100 local apartments, has helped more than 50 young people graduate from college, runs a medical clinic that treated 50,000 patients in 1994, and has become a vital part of rebuilding an inner-city neighborhood into a community of faith and hope. Real Hope in Chicago is Wayne Gordon s inspiring account of how people, white and black, rich and poor, old and young, worked together to transform a decaying neighborhood into a place where love is lived out in practical and miraculous ways. It offers an exciting model for interracial cooperation, urban-suburban church partnering--and real hope for the inner cities of our nation.
