Pearson, United States, 2012. Loose-leaf. Book Condition: New. 11th. 226 x 183 mm. Language: English . Brand New Book. For Classroom Assessment and Test and Measurement courses in Education Departments For years, this outstanding, classic text has been the market leader for courses in Classroom Assessment and Tests and Measurement. In a presentation that assumes no previous knowledge of assessment or measurement, the text provides crystal clear step-by-step instruction on such topics as constructing test questions, aligning assessment with learning goals, and interpreting standardized tests. Providing readers with an understanding of the role of assessment in the instructional process, the book helps students learn how to construct effective test questions that are aligned with learning outcomes, evaluate published tests, and properly interpret scores of standardized tests. Measurement and Assessment in Teaching, eleventh edition, introduces the elements of measurement and assessment that are essential to good teaching, once again paving the way for future educators. Highlights of the New Edition include: Objectives that clarify what should be learned from each chapter A discussion of the role of the Common Core Standards (Chapters 1, 3, and 4) Strategies to align tests with content standards (Chapter 4) Increased coverage on effective uses of formative assessment (Chapter 2) Presentation of Webb's Depth of Knowledge Framework as a system for test planning (Chapter 3) Inclusion of multiple methods used to examine the fairness of tests for multiple populations (Chapter 4) Updated information on standardized achievement and aptitude tests (Chapters 16 and 17).
