For GREAT CITIES: .A Bold Initiative

By W. Robert Bivens, A. John Bivens Jr.

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.GREAT CITIES . a Bold Initiative is about the health and well-being of our cities which affect every American. Many books have been written about sick cities and their disadvantaged residents. This book is unique in that it proposes action programs. The synergism of our proposals will uplift left-behind residents, build great cities and pay for all of it with the resulting surge of development, economic activity and increased tax base. This important message is intended for and must reach our country's leaders- in business, finance, development, retraining, education, religion, sports, transportation, healthcare, entertainment and most significantly in governments at all levels. To the best of our knowledge, this is the first book written on this subject by formally trained, experienced professionals in city planning, downtown revitalization and transportation. There are two sections. The first describes the problems of sick cities and then outlines a vision of great cities, an action program and a bold initiative. A Catch-Up Education program is seen as the only way to provide the left-behind underclass with a way out of their despair with...
