## Competition in Energy Markets: Law and Regulation in the European Union (Hardback)

By Peter Cameron

Oxford University Press, United Kingdom, 2007. Hardback. Book Condition: New. 2nd Revised edition. 246 x 180 mm. Language: English . Brand New Book. The new edition of this book gives a comprehensive update and analysis of European law as it affects competition in EU energy markets, especially oil, gas and electricity. This includes all relevant directives, regulations, Treaty provisions (including the energy chapter in the draft EU Constitution), case law and decisions of the ECJ, the CFI and the European Commission competition authorities. Appropriate consideration is also given to the new developments in EU legal relations with Norway, Switzerland and other neighbouring countries. In this edition a special chapter examines the growing impact of environmental rules on the energy sector, especially with respect to renewable energy, nuclear power and the EU emissions trading scheme. A new section on the competition law framework explains and describes in detail the growing impact of competition law instruments such as merger control, state aid and antitrust in this sector. The new edition also explains the greatly enhanced role of the national energy regulatory authorities and the European Competition Network in enforcing law at the European level, as well as the various challenges that may...
