Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

IRON AND RUST

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Iron and Rust, Harry Sidebottom, A monumental new roman series is here. 3rd century Rome, like you've never seen it before: murder, coup, terror on the streets, counter-rebellions and civil war. In a single year six Emperors will lay claim to the Throne of the Caesars. SPRING AD235 Dawn on the Rhine. A surprise attack and the brutal murder of the Emperor Alexander and his mother ends the Severan dynasty and shatters four decades of Roman certainty. Military hero Maximinus Thrax is the first Caesar risen from the barracks. A simple man of steel and violence, he will fight for Rome. The Senators praise the new Emperor with elaborate oratory, but will any of them accept a Caesar who was once a shepherd boy? And in the streets of the eternal city, others merely pray to escape imperial notice. In the north, as the merciless war against the barbarians consumes men and treasure, rebellion and personal tragedy drive Maximinus to desperate extremes, bloody revenge and the borders of sanity. Welcome to a world of intrigue, murder, passion and war, a world where men will kill to sit on the Throne of the Caesars.
