But he has a lot of faith in Eddie's Army, the coalition of young Native American and Hispanic activists which first came together to support him during his tenure as County Commissioner, and who now staff his campaign. With the Congressional race playing out against a backdrop of ancient Native American prophecy, Eddie discovers on election night undeniable evidence of nationwide vote counting fraud. Before he can decide what to do, he finds his Army putting down their brochures and signs and picking up weapons in an attempt to save not just his campaign, but seven hundred years of Democracy in America.
