Provolution: A Guide to Changing the World Through Personal Evolution

By Michael Stephens

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Provolution: A Guide to Changing the World Through Personal Evolution, Michael Stephens, You are the only thing in the world you can change. And when you change, the whole world changes with you. "Provolution" invites you on an odyssey of personal transformation from your mind, your body and your spirit, guiding you towards the natural wellbeing, emotional freedom and spiritual peace you deserve. From endemic global egotism to the enduring deception of time, Provolution describes how the world has become stuck in a spiral of suffering perpetuated by flawed ideas that have endured for millennia. Drawing upon natural concepts like human spirit, uni-time, i-go, and relational mirrors, "Provolution" empowers you with real world skills to take back control of a future that you have relinquished to an illusion of fear and to transcend the conditioning that compels you to suffer. "Provolution" is your guide to spiritual evolution in a world that likes your suffering exactly as it is. If you're seeking global change, begin by provolving your own.
