

Centipedes in Captivity (Hardback)

Filesize: 9.6 MB

Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.

(Rodger Hane)

CENTIPEDES IN CAPTIVITY (HARDBACK)

Coachwhip Publications, United States, 2014. Hardback. Book Condition: New. 259 x 206 mm. Language: English . Brand New Book ***** Print on Demand *****.Stories about sinister centipedes are legendary but behind the myths lie an important, valuable, and harmless group of invertebrate predators performing a vital service to ecosystems by helping to keep plant-eating pest populations in check. Orin McMonigle s Centipedes in Captivity details the five chilopod orders, highlighting the biggest and most beautiful species commonly kept in captivity. Those who want to learn more about these magnificent creatures, their toxicology, biology, and variety will find the accounts just as useful as those interested in containing, mating, and successfully reproducing the more spectacular centipedes in the laboratory, or at home.
