Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Pets on Parade, Malcolm Welshman, Things haven't calmed down for vet, Paul Mitchell, since we last joined him at Prospect House Veterinary Hospital. Continuing his fun-filled exploits, he's spellbound by a medium with her spooked cat and tricked by a magician with his poorly rabbit, not to mention his encounter with trophy hunting cats, a runaway fox and a gored ostrich, who all add to the parade of pets that weave a colourful path through Paul's rollercoaster life. No less a challenge is his turbulent relationship with the vet nurse, Lucy, and how they cope with a cottage full of cats, an adorable Jack Russell called Nelson and an invasion of mice. Sparks fly on the arrival of Jodie, the daughter of the practice partners. But when Paul has to operate on his beloved parrots with the help of Jodie, it's the climax of another heartfelt chapter in this young vet's exploits.
