

## Passing the Praxis II (R) (0061) Math Exam 2014

Filesize: 5.81 MB

### ***Reviews***

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).*

## PASSING THE PRAXIS II (R) (0061) MATH EXAM 2014

Pipe Dream Industries. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 11.0in. x 8.5in. x 0.5in. A workbook-style study guide for the Praxis II (R) (0061) Math exam. Included: 146 practice questions. A detailed solution to every problem. Discussion of 109 high-yield topics. Concepts explained in straightforward language. Praise from the first edition: The examples and explanations are great in this book. I saw at least two (if not more) similar problems on my exam. The author also gives tips on how to solve different problems via a graphing calculator. Best of all, I PASSED--on the first try! :) For those who do not specialize in math, or have not completed recent coursework: It does not go as in depth to all the subjects of the test as other books, but it was sufficient for me. I am a mathematics and mathematics education double major, and I took the test a year after I completed all of my coursework. TeachMath12, 5 star review on Amazon. com As someone looking just for practice problems for the Praxis II math exam, this book was exactly what I was looking for. I took the exam today and the problems and topic areas were on target with the test. I would recommend this for anyone looking for a quick refresher and plenty of example problems. Kacie, 5 star review on Amazon. com I had taken the Praxis 2 several times and had not passed. I got this book the week before I was scheduled to take the test and I finally passed! I would recommend this book to anyone. Hlaughorn, 5 star review on Amazon. com I just went through 0061 and I feel this one is the most effective review guide for the test. It is more close to the real test than...
