

## Mastering Slavery: Memory, Family and Identity in Women's Slave Narratives

Filesize: 8.36 MB

### ***Reviews***

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Lupe Connelly)*

## MASTERING SLAVERY: MEMORY, FAMILY AND IDENTITY IN WOMEN'S SLAVE NARRATIVES

New York University Press. Paperback. Book Condition: new. BRAND NEW, Mastering Slavery: Memory, Family and Identity in Women's Slave Narratives, Jennifer Fleischner, 'Fleischner offers intricate, multilayered readings of nineteenth-century women's writings about the institution of slavery. In treatments of autobiographical accounts by former slaves, Fleischner traces narrative paths of great personal loss and mourning for family, for home, for memory, and shows how these intriguing texts manifest their authors' negotiations with identity and family, race and gender. "Mastering Slavery" opens further the many difficult questions that women's texts about slavery raise concerning the relations of gender and race to social networks of power' - Minrose C. Gwin, author of "Black and White Women of the Old South: The Peculiar Sisterhood in American Literature", Professor of English, University of New Mexico. "'Mastering Slavery" casts new light on the psychological dynamics of the slave narrative. Especially welcome is the way Jennifer Fleischner restores such writers as Elizabeth Keckley, Kate Drumgoold, and Julia A. J. Foote to their rightful place alongside Harriet Jacobs as founding mothers of a literary/historical/psychological tradition that reaches down to the present time' - James Olney, Voorhies Professor of English, Louisiana State University. 'Though Nathan Huggins, Nell Painter, Gerald Early, and Deborah McDowell have called for psychological readings of the slavery experience, Jennifer Fleischner is the first literary critic to fully engage with the literature of the peculiar institution in this way. In her readings of Lydia Maria Child and Harriet Beecher Stowe, Harriet Jacobs and her little-known brother John, Elizabeth Keckley, Julia Foote, and Kate Drumgoold, Fleischner shows remarkable literary and psychological sensitivity that makes her novel interpretations compelling and at times moving. "Mastering Slavery" is an accomplishment of the first order' - Werner Sollors, Henry B. and Anne M. Cabot Professor of English Literature and Professor of...
