The Basics of Geomorphology: Key Concepts

By Kenneth John Gregory, John Lewin

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, The Basics of Geomorphology: Key Concepts, Kenneth John Gregory, John Lewin, "As Geomorphology has matured as a discipline, so it has developed a range of concepts which are fundamental for understanding it. This book, written by two leading geomorphologists, provides a very welcome first attempt to explain the major concepts in a concise and accessible way." - Andrew Goudie, University of Oxford "I can think of no better guides than Professors Ken Gregory and John Lewin to lead the reader through the conceptual basis of this exciting science. I highly recommend this book to those wishing for an up-to-date introductory overview of this rapidly changing science that is so critical to preserving the continuing habitability of our planet." - Victor R. Baker, University of Arizona "This book provides a very accessible overview of the discipline of geomorphology that is well supported by web-based material. The text is up-to-date, with excellent reference to relevant literature, and presents the discipline in an interesting and novel way. It provides a very readable and informative introduction to the discipline for senior undergraduates, postgraduates and researchers approaching the subject from other areas of science." - Angela Gurnell,...
