

School Daze

By Joel Johns

Booksurge Publishing, United States, 2008. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Three longtime friends find their friendship being tested as they disagree on the origin of life. Jason who is preparing for a science based career is really soaking up the information that their biology teacher, Mr. Schmidt, is teaching. However, Jason's two friends, Elise and Joel, are having great difficulty believing what Mr. Schmidt is saying. Jason, whose family is not at all religious, accuses them of being blinded by their religion and not being open to scientific discoveries. But his long standing friendship with them, plus his desire to become more than just friends with Elise, propels him to work out their differences. Also knowing that his classmate, Andrew, is trying hard to date Elise, Jason does not want such a small thing as origins to get in the way of he and Elise. Just when the threesome appears to be breaking up, Jason remembered a highly respected coach from Pony League who is a research scientist. Having run out of options, they all agreed to talk to him, which turns out to make all...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
