Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dreams is a collection of three consecutively linked stories, each with a different pair of protagonists introduced in the previous story. The original versions of these comprehensively amended and reedited second editions were previously published individually. This volume contains: A Dream Come True, Another Dream, and Dreaming of You. A Dream Come True: Mike is thrilled when his old university crush turns up at his door in answer to a roommate advertisement. Wes doesn't remember Mike at all, or even realize Mike's gay, but that doesn't stop Mike from pursuing a determined campaign of seduction. The trouble is, Mike isn't ready to give up his free and easy lifestyle and settle down with just one man. Mike isn't comfortable with public displays of affection. Wes doesn't like anything resembling the proverbial closet, but Mike's still buried deep inside one where his family is concerned. Will Wes have the patience to deal with Mike's issues, or will their dream come true end up a nightmare? Another Dream: When a shy, twenty-nine year old virgin erotica writer with a tool belt fetish crosses paths with an outgoing carpenter, the fireworks soar. Introverted Larry has an active imagination, and extroverted Marty is just the man to draw Larry out of his shell. Larry makes new friends and faces a jealous rival for Marty's affections while helping Marty reevaluate an impulsive decision, made twenty years earlier. A scheme is hatched that rewinds the years of Marty's life and takes the new lovers on a cross-country road trip together. From hot to humorous, their expedition is a journey of personal growth for Larry, an...
