FEMININE REGISTERS

CASCADE BOOKS, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Women have been adding their voices to the proclamation of the gospel for as long as there has been a gospel to proclaim, but only in the last half-century have these voices become part of the official catalogue of Christian preaching. Diagnosing the distinctiveness of women's voices and exploring the richness they convey about the presence of God requires a detailed look at the meaning-making strategies used by those who preach and those who listen. Register provides a tool for analyzing not only the theological and semantic contributions of women, but also demonstrates how gender impacts the meaning-making possibilities of the sermon. Feminine Registers offers a gendered analysis of preaching that does not rely on essentialist claims about gender and moves the analysis of the preaching beyond sermon content to include the relational dynamics operating between the communicating parties and the medium used to communicate. A critical examination of this constellation of meanings, influenced by gender-related issues of authority and self-disclosure, helps illuminate the production of meaning within the church and expands the homiletical possibilities for the Christian faith. Through the lens of register Jennifer Copeland offers us preachers a fresh look at the way we witness to the gospel in our congregations. Using sophisticated gender studies and linguistic insights in practical, revealing ways, she helps us preachers to reframe our preaching task. Particularly noteworthy in this book is the strong encouragement Copeland gives for the distinctiveness of women's voices in preaching. --Will Willimon, Professor of the Practice of Christian Ministry, Duke Divinity School In Feminine Registers, Jennifer Copeland manages to transcend essentialist models of gender to create a deeply relational and communicative approach to...
