Recommended for Beginners of Japanese. Beginning to learn a new language can be a lot of fun. But it is important to begin your learning with structure. You don't want to end up knowing random or useless information that will sap your motivation once the initial enthusiasm fades. This book is intended to introduce important grammatical points in a structured, bite-sized way. We will introduce only the most useful grammatical points ordered by how common they are in beginner level textbooks. It is not, however, designed to replace a textbook or even a detailed grammar book. As a result, we spend little time explaining each grammatical note. Best Friend (You have mastered the grammatical point and you are able to use it correctly at will.) This book will help you meet the most...
