It s a practical, no-nonsense playbook filled with case studies and examples curated out of the author s experiences as a consultant to Mom and Pop stores across the country. Growing Small focuses on the real life challenges faced by today s small business owners and provides a proven process to fix them! Angel Cicerone, founder and president of Tenant Mentorship, a company that focuses solely on independent retail businesses, has taken the method that has, for years, transformed small shops into high performance operators and created a how-to of the process that has helped the majority of her clients achieve a 10-200 percent revenue increase in just 90 days! The book offers a fresh perspective based on the three principals of success: manage, market and measure.
