It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

POLLEN

DC Books, Canada, Canada, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. With wit and sensitivity, these tales portray moments of suffering, confusion and discovery. Also, the reader is introduced to a wide variety of worlds, worlds that reveal Abrey's deep understanding of how people engage with-and become obsessed by-activities such as Japanese kite-making, bees, daycare, alcohol, and motorcycle maintenance. How does the activity reveal the person? How the problem? Abrey's stories push full-on into the world of obsessions. A new vacuum cleaner becomes a new pawn in a just-ended relationship. Riding-a-motorbike becomes the way brothers bond over their troubled relationship with their father. A wise naturalist takes the reader on a comic tour of an animal-filled mall, and a bee infestation in a kitchen forces three urban apartment-sharing youths to suddenly confront nature and their own changing relationship. Yes: in these stories, Tom Abrey shows us how every human activity becomes a metaphor: for self-revelation, and for relationships that range from romantic to familial.
